This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standard

EN 14041:2004/AC:2006

under system 1 are applied and that the product(s) fulfil(s) all the prescribed requirements set out above.

This certificate was first issued on 13 August 2013. This certificate will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly, at the latest, however, until **13 August 2018**.
